Thank You for Being Part of Our Community Happy Thanksgiving!

This Thanksgiving, we're reminded that our greatest strength comes from the people who believe in and contribute to our mission. To our valued partners, vendors, clients, and dedicated team: thank you for bringing passion, innovation, and unwavering support to everything we do. Together, we create possibilities far greater than any of us could achieve alone.

3RD ANNUAL SENIORS TECH CONFERENCE 2025 WRAP UP

What an incredible experience! We are beyond thrilled to share that the 3rd Annual Seniors Tech Conference brought together over 550 amazing people: participants, tech experts, speakers, vendors and volunteers, all united by a shared passion for learning, connecting, embracing technology, to bridge the digital divide for our Seniors.

The energy in the Conference was electric. From inspiring keynote to hands-on workshops, vendor connection zone, gaming, virtual reality and Tech Sendoff.

To everyone who joined us, thank you for making this years Conference such a powerful success.

November is Awareness Month!!

Native American Heritage Month.

Native American Heritage Month in 2025 will be observed throughout

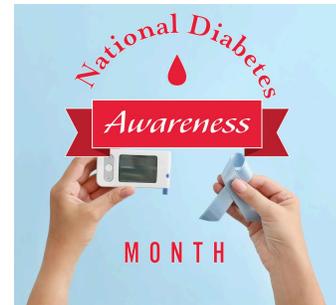

November to honor the history, cultures, and contributions of indigenous peoples.

Celebrations will involve recognizing the traditions, languages, and customs of Native American, Alaskan Native, Native Hawaiian, and other indigenous communities through events and discussions, often focusing on themes such as tribal sovereignty, diversity, pride, and empowerment.

Lung Cancer Awareness Month.

Lung Cancer Awareness Month is observed every November to raise awareness about lung cancer, including its risk factors, symptoms, and the importance of early detection and prevention. The month-long initiative aims

National Diabetes Month

November is National Diabetes Month, an annual observance to raise awareness about diabetes and its impact on millions of lives. It serves as an opportunity to educate the public on the risks, management, and prevention of this chronic disease, which is one of the fastest-growing in the world. Organizations like the **American Diabetes Association** and the **National**

to educate the public, encourage preventive measures like quitting smoking, and support research and treatment for the world's deadliest cancer. It's also a time to challenge stigma and provide support for those affected by the disease

Institutes of Health (NIH) use this month to highlight important health issues related to diabetes, such as diabetic eye disease!"
